Footwork and overall skills are developed on full size courts. Point play games are introduced.	Green Ball emphasizes proper grips to be used for all shots. Live ball drills and games are used to prepare for match play. Beginning Yellow Ball players can maintain full court rallies up to 8 balls and serve effectively. Advanced Yellow Ball players are competing in tournaments and high school play.	This intense program is for the open-level, competitive player. Players are often ranked at the Sectional or National level. On court monitoring in a college-style practice environment with emphasis on court strategy, conditioning, focus drills and match play.
