

SPRING ACE IT

Are you ready to up the ante in your game to be ready for the start of leagues? Here at Meadow Creek we are “All In!”

Our new **Spring Ace-It** clinic is not here to trump our Fall Fix-It program, but rather to follow suit (and we’re not bluffing!) For 6 weeks this Spring, you call the shots! We will customize your clinic to fit your needs. Tell us what’s lacking in your hand, for example:

- ◆ Looking for strategies to deal with the chronic poacher?
- ◆ Are your overheads more like playing without a wild card?
- ◆ Does your doubles strategy get trumped easily?
- ◆ Puzzled on what to do with that annoying lobber across the court?
- ◆ Do you just want to hit piles of balls to dial-in your stroke?

The answer to these and just about any other bad hand can be dealt with in our **Spring Ace-It** clinic. Clinics start the week of March 10th and end just before the USTA 18+ league kicks off. Register individually, as a doubles-duo, or bring your entire team to Meadow Creek for this “must have” ace-in-the-hole clinic! We will shuffle things around to find a time and a pro to work with you and/or your group. (6 weeks, 90 minutes/week)

We are offering 4 formats for our **Spring Ace-It** clinic:

4:1 (4 players : 1 pro) **\$180/Members** **\$213/Non-Member**

6:1 (6 players : 1 Pro) **\$120/Members** **\$142/Non-Member**
